Dear John:

Now that you are back at the [REDACTED] Bureau, I wish to express our appreciation for the two months' TDY you have just completed as Acting Chief of the [REDACTED] Bureau and to acknowledge the fine work you did there. Through your effective management the bureau's very valuable operations were not only sustained but improved despite many obstacles and during a period of growing crisis. In addition, we have not failed to recognize the hardship this separation must have caused you and your family. You have made a very special contribution to the Service and we are grateful for it.
